

Introducing **MiniMax™** – the Most Portable and Versatile EGG Ever!

The all new MiniMax Big Green Egg is proof that great things come in small packages – and this EGG is the first to arrive with its own transportation in the form of a sturdy, easy to grip Carrier!

While MiniMax is perfect for camping, poolside and tailgating at the ballgame, it is

just at home at award-winning restaurants around the world where top chefs love exploring the EGG's versatility and discovering the amazing flavors produced in such a compact and high performance package. MiniMax is built to perform and is ready to travel to wherever your culinary interests take you!

Opening the MiniMax dome reveals a stainless steel cooking grid measuring 13 inches/33 cm in diameter for a whopping 133 square inches/855 cm² of cooking area ... all within a convenient 19.5 inch/50 cm height! And, of course, MiniMax is constructed from the same ultra high-quality ceramics as the other six EGG sizes, and comes with the same best-in-class limited lifetime warranty.

MiniMax Big Green Egg arrives in one complete package – including a sturdy, easy to grip Carrier.
